Preparing Students for Life

FACE ACADEMY

Overview

To provide programming, resources, relevant training and services for families within our community to bridge the gap between home and school.

Key Components

- Provide timely and relevant instructional offerings for families centered around curriculum, learning standards and academic expectations for students; parent advocacy and leadership; financial literacy and resources; student services; and life skills education.
- Facilitate the creation of parent and school/district networks to foster a sense of community and mutual support.
- Empower families to pursue lifelong learning goals for themselves and their children to sustain their child(ren's) growth, wellbeing, and success.

Long-Term Impact

To increase parent training opportunities, and strategies, linked to learning, which contribute to enhanced students' academic performance at school.
